

THE CLASSIC CORVETTE CLUB UK
The Club for all Corvette Enthusiasts

Web Site: www.corvetteclub.org.uk

Membership Secretary: Kevv Wright

Tel: 07866 183883

E mail: membership@corvetteclub.org.uk

What's in it for me?

A year's membership of the Classic Corvette Club at only £35 is just over half the cost of a tank of petrol and a third of the price of a tyre. Despite this staggering value for money, it's still important to know what you can expect for this investment.

Firstly, you'll be joining one of the most enthusiastic car clubs there is. The over-riding justification for all our members is our absolute love of the marque. This is obvious at any of the National or Regional meetings, at the car shows in which we regularly exhibit, the driving events we organise and especially at the Corvette Nationals, our annual two-day summer Vette-fest featuring a mind-blowing 300+ Corvettes in one place, together with trade stands, driving tests, concours judging and refreshments.

Corvette owners are amongst the most sociable people on the planet, united by their common passion. Not that membership is limited to owners - anyone who shares our enthusiasm is invited to join, including those between Corvettes or those thinking of buying their first.

All members receive a free high quality, bi-monthly full-colour glossy magazine 'Vette News' that is full of interesting tips, stories and Corvette-related information to help you get the most from ownership. Members can also place private adverts in the magazine and on the web site, free of charge.

Because we're a UK-wide club, members are also very welcome at Regional meetings. These are organised by local Regional Representatives and typically happen once a month. Contact details and a summary of recent activities by region are in the magazine and on the website.

Whether you're concerned about an odd noise or conducting a body-off restoration, we have Club technical experts and members who can offer the benefit of their many years experience covering all years and models. A simple posting on the club website solves most problems. Again, technical advice is free to members.

We also have a wide range of Club goods from windscreen stickers to embroidered jackets that can help to increase your enjoyment of ownership. In addition, member discounts are available on insurance and parts, as well as RAC membership.

Hopefully, you will have no hesitation in joining the only UK Corvette Club and we very much look forward to welcoming you at one or more of our many events and Regional meetings.

Regards and best wishes.
